Compactor Service Contract

Date: _____

Owner/Agent:

Premise: _____

Type of Equipment:

Agreement made this day between _____ thereafter called the Owner and **Premier Compaction Systems. (Hereafter called the contractor)**

Scope of Work:

The contractor agrees to provide emergency compactor service when requested by the owner or his agent during normal working hours of 8:00 A.M. to 3:30 P.M. Monday through Friday within 24 hours of the initial service request.

Prevailing single time rates will be charged for work performed on Saturday, Sunday, and Holidays, when such work is requested by the owner or his agent. Rates are presently \$179.00 per hour. Any rate change must be submitted in advance, in writing.

This contract includes labor and material for emergency repairs to the following electrical, hydraulic, and mechanical components of the compactor.

Starter	Hoses	Hydraulic Pump	Power Unit
Flow Control	Tubing	Fittings	Reflector
Manifold Blocks	Pressure Switches	Limit Switches	Motor
Electrical Wiring	Cam Timer	Relays	Control Box
Heat Sensor	Timers	Temperature Switch	Valves
Pressure Relief Valve	Electric Eye	Door Switches	Check
Hydraulic Cylinder	Directional Valves		

Exceptions and exclusions:

This contract does not include structural repairs to the cylinder, chassis, forcing cone, hopper, transition, ram, and other wear surfaces.

IT IS THE RESPONSIBILITY OF THE CUSTOMER TO REPLACE WEAR SURFACES ON AN "AS NEED" BASIS. Premier Compaction Systems will advise the customer of necessary repairs and will expect authorization from the customer to proceed with these repairs within thirty (30) days of notification. Should the customer fail to authorize the necessary repairs, Premier Compaction Systems shall have the right to treat

this agreement as breached by the customer and may refuse to renew and/or continue service under this agreement.

PRINTED CIRCUIT BOARDS ARE EXCLUDED. Chute blockage regardless of reason is also excluded and will be repaired only after authorization by owner at an added charge.

CHUTE JAM. Jamming due to Bundled Newspapers, Clothing, Rags, Books etc, anything of the sort regardless of reason is also excluded and will be repaired only after authorization by owner at an additional charge.

The Contractor shall not be liable for any loss, damage, or delay due to any cause beyond its reasonable control, including, but not limited to acts of government, strikes, lockout, fire, flood, explosion, theft, riot, civil commotion, war, rebellion, vandalism, malicious mischief, or acts of God.

The Contractor assumes no responsibility for the condition of the existing chimney brick work, spark arrestor, trash rooms, and/or chute openings, plumbing, drains, sprinkler systems, or electrical connections beyond the disconnect for the machine.

The Contractor assumes no responsibility for the existing installation or for completion of the installation, or any matter having to do with obtaining permits, approvals, or any dealings with the City of New York or other involved agencies.

The Contractor shall not be responsible for the disinfectant systems of the operation thereof.

The Contractor shall not be responsible for adjustments or repairs made to the unit by persons other than Premier Compaction Systems LLC employees.

The Contractor shall not be responsible for work done by others. The Contractor assumes responsibility only for work done by him and it is agreed that, except for cases where negligence is charged to the contractor in his work, he shall have no responsibility for any claims for damages.

The Contractor shall not be liable for failure of obsolete faulty equipment, but will endeavor at its option to either repairs or replace any faulty component part where possible, in order to maintain equipment in operating condition.

THIS CONTRACT EXCLUDES ALL WATER CYLINDERS & VALVES.

OWNER AGREES TO:

- **Maintain the compactor room in a clean and safe condition at all times, including extermination of rodents and vermin.**
- Provide access to compactor upon request.
- Maintain the plumbing systems and sprinkler heads in proper working order, replacing heads as required.
- Check all fuses and electric power sources, clean electric eye and reflectors, prior to calling the Contractor for emergency service.
- Report any unusual condition of the compactor to the Contractor immediately upon discovery.

PRICE AND TERMS:

The Contractor will do the above work, excluding work for which added charge is provided, for the **sum of \$ 895.00 per year, per compactor, plus sales tax.** This sum is payable in advance. (Contractor agrees this price shall remain firm for a period of 30 days from the above date.)

TERMS OF CONTRACT:

FROM: _____

TO: _____

NON PAYMENT:

In the event owner fails to comply with the terms stated herein or to pay any balance due to the contractor, this agreement may be terminated at the contractor's discretion.

This contract is subject to the conditions contained herein, and printed on the preceding pages. This contract contains all agreements between the parties hereto, and takes precedence over, and supersedes any prior provisions made by Owner whether by oral statement or in a purchase order agreement. This contract may be amended or changed only by written specific agreement signed by both parties to this contract.
